Both Churches run crèche and children's activities during their main Sunday morning worship and all children are welcome.

At the Parish Church, children gather at the back of the church during the first hymn and return just before communion. A typical session would include some teaching, a Bible story, and either a craft activity, worksheets or colouring based on the Gospel of the day.

At the Methodist Church children usually join in with the first part of the morning service before continuing with their own session which follows the reading used in church. They also have a well-equipped children's corner in the church itself.

Storytime

During the holiday period (Sunday 29 July to 2 September inclusive) the Parish Church offers Storytime during the 10.00am service, a story and colouring or activity to which children are warmly invited with their parents.
