Children's Activities on a Sunday morning

Both Churches run crèche and children's activities during their main Sunday morning worship and all children are welcome.

At the Parish Church, children spend the first half of the service doing various learning activities usually around the Gospel of the day, for example craft, worksheets, Bible story. At the Family Emmaus Service (see above) children stay in for the service and are provided with worksheets.

At the Methodist Church children usually join in with the first part of the morning service before continuing with their own session. They also have a well-equipped children's corner in the church itself.
