

God is working with Waverley Abbey, and lives are being changed through worship, study and prayer.

'The Lord has done this, and it is marvellous in our eyes.' (Psalm 118:23)

There has been a respond with faith, generosity and prayer. Because together, we really are **making room** for what God is doing.

All around us, we see signs of God moving:

- In the house and grounds, where Worship Nights, retreats and prayer gatherings are full, people are encountering God in this ancient place of prayer.
- In the College, where over 550 students, including 175 new this year, are being trained to serve as counsellors and chaplains.
- In the digital space, where over 60,000 have downloaded the *Every Day with Jesus* mobile app and where our new online MA programme is equipping Christian counsellors.
- In the 24-7 Academy, where young leaders from around the world are being formed and sent out to serve their generation with courage and faith.
- And through our Chaplains in Schools project, as we work with national partners to see a Christian chaplain in every one of the 4,200 UK secondary schools.

It's extraordinary... and it's only the beginning.

This is what you're helping to build when you pray it forward and pay it forward – a people and a place making room for the presence of God to transform lives, communities, and the nation.
